Hon'ble P.C.Verma,A.C.J.

All these petitions have been field by the petitioners who were class IV employees in Civil Court, Hardwar. The services of the petitioners were terminated by oral order. The petitioners were initially appointed on daily wages and thereafter on ad-hoc basis but they were not regularly appointed.

It is settled law that once the appointment is made under the written order, the same cannot be terminated by an oral order. Some of the petitioners have also put in service for more than five years.

Having considered the argument of the learned counsel for the petitioners and particularly the period of service rendered by the petitioners and their having become overage, it is provided that those petitioners who have put in five years' service on 1st of July of the year in which their services were terminated, they shall be regularized without calling them for interview. All these whose services service have been terminated and who have not put in five years' service they shall be permitted to appear in interview in regular selection which is scheduled

to be held on 5th & 6th July, 2003 and the District Judge shall award five marks for each year of service rendered by them as bonus marks. Since in the recruitment for appointment some candidates have been permitted as above to appear in interview, therefore the requirement of being domicile of Uttaranchal for appointment in this selection is dispensed with. All candidates shall be permitted to appear in interview for the appointment pursuant to the advertisement in question. It is also provided that those who have been terminated and have not applied shall also be permitted to appear in interview.

All these petitions are disposed of accordingly.
